## Rules:

1. All sheep must be checked in by 5:00 pm, Tuesday, August 1.
2. **Unloading and Veterinary Rule, Page 30 #1.**
3. Lambs must be dry and un-blanketed for weigh-in.
4. All exhibitors are required to show in Fitting & Showing.
5. Ram lambs (in the market class) or wethers showing evidence of staginess shall be disqualified.
6. Classes to be divided at the discretion of extension staff/sheep superintendent.
7. Breeding classes to be combined blackface/whiteface together, unless there are sufficient numbers to deem separate classes. There must be at least 5 blackface and 5 whiteface animals to split class.
8. Market sheep exhibitors must have “buyer’s photo” taken immediately following market class.
9. Market sheep must be designated immediately following completion of sheep show.
10. Sheep showing prolapsing (prolapse that will not return to normal position without assistance) will not be allowed to show or sell and must be removed from the fairgrounds. To help prevent prolapsing the AVMA guidelines recommend that the tail be docked at the distal end of the caudal fold. Surgical removal of tails will not be allowed.
